

Mama Rosette Matezolo reflecting on their time in Indiana:

“We have seen so many things. We were very well received. And I always say that I thank God for this partnership. It is a partnership that comes to strengthen us... to fortify us... you who are here and we who are in the Congo. As it’s often been said, according to God’s word, that God may continue to bless us and give us more time together. We will be going back with gifts from all of you. We have received both physical gifts and spiritual gifts. And what we have experienced here, we will go back and share with our brothers and sisters in Congo. And for all of this, we say thank you. Merci mingi for this partnership and for everything you have done for us and for everything you continue to do for the church and the people of Congo.”
