Greetings!

Enclosed is a packet of information, motivation, and inspiration to encourage you and your congregation to participate in this year's Regional Assembly.

Held at Light of the World Christian Church in Indianapolis on **October 5-6**, this year's theme is "**Can We Talk?**"

The planning committee for the assembly looked at the time in which we live and what could benefit the church in this era of polarization and dividedness. We want to offer some ideas and experiences that may help us be encouragers of God's people even in our differences.

Who knows? If we learn how to appreciate each other in our differences, it might even spill over into our congregational and family life.

Enclosed you will find congregational resources to share this opportunity:

- Assembly poster
- Printable registration forms for adults and students
- Printable childcare registration forms
- An essay by Nathan Day Wilson giving you more insight about how this can be an important event for ALL who attend

Online registration is also available for your convenience at **www.indianadisciples.org**. Likewise, a downloadable bulletin insert, Nathan Day Wilson's essay, and a video will be added to the website in the coming weeks for your congregation's promotional needs.

We look forward to this time together and hope you will attend and encourage great participation in your congregations. If you have questions or comments, feel free to contact me.

With expectation and hope,

Diane Zehr
Interim Associate Regional Minister
